

Mingshuang Li

Ph.D., CCC-A, Assistant Professor & Dispensing Audiologist

Department of Communication Disorders and Sciences

College of Health and Human Development

California State University, Northridge

E-mail: mingshuang.li@csun.edu

Office Phone: +1 (818) 677-2634

Brief Biography

Dr. Mingshuang Li is a tenure-track assistant professor and dispensing audiologist at California State University, Northridge (CSUN). His research primarily focuses on speech perception and enhancement strategy in noise. Dr. Li serves as Supervising Faculty of the CSUN Hearing Science Laboratory and actively contributes as a topic editor and reviewer for several SCI, SSCI, ESCI, and SCIE indexed journals. He holds the Certificate of Clinical Competence in Audiology (CCC-A) and a California audiologist license, reflecting extensive clinical experience in comprehensive hearing and balance assessments across diverse healthcare settings. Within CSUN's Au.D. program, Dr. Li employs innovative teaching methods, dedicated research mentorship, and rigorous clinical supervision, preparing students for professional success in audiology.

Education

2021	Ph.D., University of Texas at Austin, TX, U.S. Major: Audiology
2016	M.Ed., Beijing Normal University, Beijing, China Major: Curriculum and Teaching Methodology
2011	B.S., Qufu Normal University, Shandong, China Major: Psychology

Employment

Aug. 2021 - Present	Assistant Professor Department of Communication Disorders and Sciences California State University, Northridge
Jan. 2026 – May 2026	Interim Director; Doctor of Audiology (Au.D.) program Department of Communication Disorders and Sciences California State University, Northridge
Aug. 2017 - May. 2021	Assistant Instructor / Teaching Assistant Department of Speech, Language, and Hearing Sciences University of Texas at Austin, TX, U.S.
Apr. 2012- Aug. 2013	Research Assistant

Beijing Normal University, Beijing, China

Certificate and Licensure

- **Certificate of Clinical Competence in Audiology (CCC-A)**
 - Issued by the American Speech-Language-Hearing Association (ASHA) in 2022
- **California Dispensing Audiologist License**
 - Audiologist License issued by California Speech-Language Pathology & Audiology & Hearing Aid Dispensers Board in 2022
 - Hearing Aid Dispenser License issued by California Speech-Language Pathology & Audiology & Hearing Aid Dispensers Board in 2025

Courses Taught

- **Undergraduate Courses**
 - CD 410. Hearing Science
- **Au.D. Courses**
 - CD 730. Clinical Methods and Instrumentation
 - CD 753A. Electrophysiology of Auditory System I
 - CD 753B. Electrophysiology of Auditory System II
 - CD 755. Advanced Pediatric Audiology
 - CD 708. Advanced Anatomy and Physiology of Auditory System
 - CD 724. Advanced Audiometry Evaluation
 - CD 744. Interviewing and Counseling in Audiology
 - CD 760. Research Methods in Audiology
 - CD 772. Clinical Practicum in Audiology III
 - CD 774. Clinical Practicum in Audiology V
 - CD 775A. Advanced Practicum in Audiology I
 - CD 776A. Required Professional Experience in Audiology I
 - CD 796. Directed Graduate Research in Audiology
 - CD 797. Directed Comprehensive Studies in Audiology
- **SLP Course**
 - CD 674. Pediatric Audiology

Conference Presentations

- Li, M., Xu, C., & Liu, C.** (2026). Dissociating category mapping and formant-cue sensitivity in second-language vowel perception and masking release in noise. Poster presentation at 190th Meeting of Acoustical Society of America, Philadelphia, Pennsylvania
- Li, M., & Liu, C.** (2025). Effects of Formant Enhancement on Sentence Recognition in Noise: Influence of Enhancement Strategy, Facemask Muffling, and Signal-to-Noise Ratio. Poster presentation at 6th Joint Meeting of the Acoustical Society of America and the Acoustical Society of Japan, Honolulu, Hawaii

- Li, M., & Liu, C** (2025) Perceptual effects of formant enhancement with the factors of phonetic type, listening conditions, and language experience of listeners. poster presentation at AAA 2025+HearTECH Expo, New Orleans, Louisiana
- Li, M.,** (2024) Hearing Loss and Hearing Conservation, **Keynote Presentation** at US Chinese Scholars Association Convention 2024, Ontario, California
- Li, M., & Liu, C** (2023) Perceptual effects of formant enhancement with the factors of phonetic type, listening conditions, and language experience of listeners. Oral presentation (technical session) at American Speech-Language-Hearing Association (ASHA) Convention 2023, Boston, Massachusetts
- Li, M., & Liu, C** (2023) Perceptual effects of formant enhancement with the factors of phonetic type, listening conditions, and language experience of listeners. Poster presentation at 184th Meeting of Acoustical Society of America, Chicago, Illinois
- Chen, Y., Xu, C., Liu, C., **Li, M.**, Mi, L., & Tao, S. (2022). Re-evaluate the data of English vowel perception in quiet and noise for native and non-native listeners: Sensitivity and response bias. Poster presentation at 182nd Meeting of Acoustical Society of America, Denver, Colorado
- Li, M., Liu, C., & Tao, S.**, (2019). Formant discrimination of speech and non-speech sounds in temporally modulated noise: Effect of language experience. Poster presentation at 177th Meeting of Acoustical Society of America, Louisville, Kentucky
- Xu, C., Liu, C., **Li, M.**, & Tao, S., (2019). Temporal structures of English and Mandarin running speech. Poster presentation at 177th Meeting of Acoustical Society of America, Louisville, Kentucky
- Li, M., Tang, W., Liu, C., Nan, Y., Wang, W., & Dong, Q.** (2018). Mandarin vowel and tone identification for Mandarin congenital amusics. 175th Meeting of Acoustical Society of America, Minneapolis, Minnesota
- Li, M., Liu, C., Nan, Y., Tang, W., Wang, W., & Dong, Q.** (2016). Frequency modulation detection for Mandarin congenital music and tone agnosics. 172nd Meeting of Acoustical Society of America, Honolulu Hawaii
- Li, M., Wang, W., Tao, S., Dong, Q., Guan, J., & Liu, C.** (2015). Mandarin Chinese vowel and tone identification in noise: Effects of native English experience. 169th Meeting of Acoustical Society of America, Pittsburgh, Pennsylvania
- Guan, J., Liu, C., Tao, S., **Li, M.**, Wang, W., & Dong, Q. (2015). Sentence recognition in temporal-modulated noise for native and non-native listeners: Effect of language experience. 169th Meeting of Acoustical Society of America, Pittsburgh, Pennsylvania

Editorial Services

- **Associate Editor**
 - Frontiers in Psychology (2 articles edited)
 - Frontiers in Education (1 article edited)
 - Frontiers in Psychiatry (1 article edited)

- **Guest Editor**
 - Journal of Speech, Language, and Hearing Research (1 article edited)
- **Peer Reviewer**
 - Journal of Speech, Language, and Hearing Research (9 articles reviewed)
 - Frontiers in Psychology (3 articles reviewed)
 - JMIR Pediatrics and Parenting (1 article reviewed)
 - JMIR Research Protocols (1 article reviewed)
 - Journal of Psycholinguistic Research (1 article reviewed)

Research Grants

Jan. 2026 -	Faculty Research Project Development Initiative (FRPDI) (3-units of reassigned time) California State University Northridge Role: Principal Investigator
Aug. 2024 – May 2025	Pathways to Tenure Grant (2024-25) (3-units of reassigned time) California State University Northridge Role: Principal Investigator
May 2022 – Jun. 2023	Research, Scholarship, and Creative Activity Award (\$5,000) California State University Northridge Role: Principal Investigator
May. 2017 - Aug. 2017	UT Global Research Fellowship (\$3,000) The international office at the University of Texas at Austin Role: Principal Investigator

Research Projects

July. 2023 -	Project: Auditory brainstem response to complex sounds (cABR) and Frequency Following Responses (FFR): Effects of speech content, spectral and temporal modulations Role: Principal Investigator Collaborators: Dr. Craig Champlin, the University of Texas at Austin
July 2022 -	Project: Perceptual effects of formant enhancement with the factors of muffled speech, background noise, and hearing impairment Role: Principal Investigator Collaborator: Dr. Chang Liu, the University of Texas at Austin
May 2020 – Jul. 2021	Dissertation Project: Vowel and consonant identification in noise with formant enhancement

Role: Student Principal Investigator

Supervisor: Dr. Chang Liu, the University of Texas at Austin

Aug. 2016 - May. 2019

Project: Speech and non-speech sound perception for congenital amusics

Role: Student Principal Investigator

Supervisors: Dr. Chang Liu & Dr. Nan Yun

Aug. 2013 - Jun. 2020

Project: Speech perception in noise: effect of language experience

Role: Student Principal Investigator

Supervisors: Dr. Chang Liu, Dr. Wenjing Wang & Dr. Sha Tao

Clinical Experience

Jun. 2022 -

Supervision: The CSUN Language, Speech, and Hearing Center (LSHC), Northridge, CA

- Hearing evaluation
- Pediatric hearing screening & evaluation
- OAE, ABR & ASSR tests
- cVEMP & oVEMP
- VNG tests
- Rotary chair testing: SHA & Step Velocity tests

Aug. 2020 – Aug. 2021

Feb. 2020 - Apr. 2020

Externship: Baylor Scott & White Medical Center, Round Rock, TX, U.S.

Supervisor: Dr. Esther Zhang

- Hearing evaluation
- Pediatric hearing evaluation (e.g., VRA & CPA)
- Hearing aids fitting/check/follow-up
- OAE test
- VNG test and BPPV treatment
- Candidacy test battery for cochlear implant

Apr. 2020 – Aug. 2020

Jan. 2018 – Dec. 2018

Internship: UT Speech & Hearing Center, Austin, TX, U.S.

Supervisors: Dr. Craig Champlin, Dr. Amanda Zappler & Dr. Angela Carey

- Hearing evaluation
- Earmold impression
- Hearing aids fitting/check/follow-up

- Real ear test for hearing aids
- OAE & ABR tests

May. 2019 – Aug. 2019 **Internship:** Sonova Group

Supervisor: Dr. Jingjing Guan

- Hearing evaluation
- Earmold impression
- Hearing aids fitting/check/follow-up
- Electro-acoustic analysis of hearing aids

Jan. 2019- May. 2019 **Internship:** Austin ENT Associates, Round Rock, TX, U.S.

Supervisors: Dr. Rebecca Dixon & Dr. Brook Johnson

- Hearing evaluation
- Pediatric hearing evaluation (e.g., VRA & CPA)
- Hearing aids fitting/check/follow-up

Sep. 2017 – Dec. 2017 **Internship:** Texas School for the Blind and Visually impaired

Supervisor: Joan Balash

- Hearing screening and test
- Hearing aid check

Selected Awards

May 2022	Research, Scholarship and Creative Activity Award (\$5,000) California State University, Northridge
May 2021	Graduate School Summer Fellowship (\$7,500 + tuition waiver)
May 2020	Moody Doctoral Fellowship (\$3,000) Moody College of Communication, the University of Texas at Austin
Apr. 2020	Roderick P. Hart Student Achievement Award (\$1,000) Moody College of Communication, the University of Texas at Austin
Apr. 2020	Jesse H. Jones Fellowship (tuition exempted plus \$6,500) Moody College of Communication, the University of Texas at Austin
May 2019	Moody Doctoral Fellowship (\$3,000) Moody College of Communication, the University of Texas at Austin
May 2018	Moody Doctoral Fellowship (\$3,000) Moody College of Communication, the University of Texas at Austin
Nov. 2016	Graduate Student Professional Development Award (\$650) Department of Communication Sciences and Disorders, the University of Texas at Austin

CALIFORNIA
STATE UNIVERSITY
NORTHRIDGE

Aug. 2016	Graduate School Recruitment Fellowship (\$31,237) the University of Texas at Austin
Jun. 2016	Major Award of Academic Achievements (\$420) Beijing Normal University
2010	National Endeavor Fellowship (\$1,150) Ministry of Education of the People's Republic of China
